

PRODUCT INFORMATION SHEET

Auger wood drill bit

Description

Professional auger wood drill bit for wood and wood-like materials, particle boards and fibreboards. For drilling pass-through holes and spot-drilling.

Characteristics

- extra-long twist allows drilling of deep holes
- screw slots facilitate the quick removal of chips
- precision made and sharpened, the surface is protected against dents
- very flexible, has better resistance to fatigue cracking
- self-centering tip prevents slip
- hex shank to increase grip in wrench drills
